TO WHOM IT MAY CONCERN:

I wish to highly recommend Ms. Sydney Redigan for a position as a teacher.

Ms. Redigan was a student in two of my Reading/English Education courses here at Wayne State University. I also served as her advisor for her Terminal Master's Project.

In each encounter, Ms. Redigan proved to be an outstanding student. She was bright, insightful and articulate in both speaking and writing. She was a critical, creative and divergent thinker. In addition, she possessed a remarkable ability to translate educational theory into imaginative classroom practice. Moreover, she was self-directed, meticulous and conscientious in the doing of every assignment. She sets high goals for herself and does everything possible to reach those goals with excellence.

Further, she is deeply committed to young people and to their development as persons and as students.

In sum, I must say that Sydney Redigan is one of the best students that I have ever taught and I certainly recommend her with the highest praise. Any school hiring her will truly have a gem.

Sincerely,

Dr. Jacqueline Tilles
